
Visit to Nalban Bheri

Amit Kr. Ghosh <amitkrgh...@gmail.com>

Folks!!

Last sunday i spent nearly 4-5 hours in the morning time near Nalban Bheri and there i find the birds below. I will post the snaps in birdphotoindia very soon.

- 1) Long tailed shrike
- 2) grey backed shrike
- 3) Common magpie robin
- 4) Swino snipe (10+)
- 5) Yellow wagtail
- 6) Common moorhen
- 7) Bronze winged jacana (flying)
- 8) Open billed stroke
- 9) Large egret
- 10) cormorant
- 11) Warbler (two / three types - name i will give you later - let me identify those first;) [this is in huge numbers]
- 12) Gadwal (male / female)
- 13) Shovlar

Thanks,

Amit
